

A Touch of Blue

By Tory Christie

Here are some things Celie learns about Canadian Lynx. What do you know?

Across

1. Black long hairs on the tips of the ears
6. What a lynx eats
7. Claws that move in and out
8. The main food of the lynx
9. What are lynx good at in water?
11. What do you call a group of lynx?
12. What are lynx good at in trees?

Down

2. Where the lynx lives
3. The lynx has this fur for warmth
4. The color of most lynx fur
5. Hard to find
10. Active at night
