Now take your colored crayons or pencils and mark up your answers:

- Which talent has a source of power that is **physical**—like food? Mark it in one color.
- Which talent has a source of power that is **social**—like gatherings? Mark it in another color.
- Which talent has a source of power that is **spiritual**—like from God? Mark it in the third color.
 - Circle the talent you'd like to improve your ability to access your power for.
 - Discuss ways to improve your access to that power source.
 - Like Asher and Siobhan in *Wingless*, how can you help each other train?
